Berlengas Island, Peniche, Portugal

On the sea...

We've made canoeing an activity for everyone!

With our adapted canoes, people with physical disabilities can join this activity and enjoy all the natural beauty that Berlengas Island has to offer.

Augmented reality is available at key points to enhance the experience.

On the island...

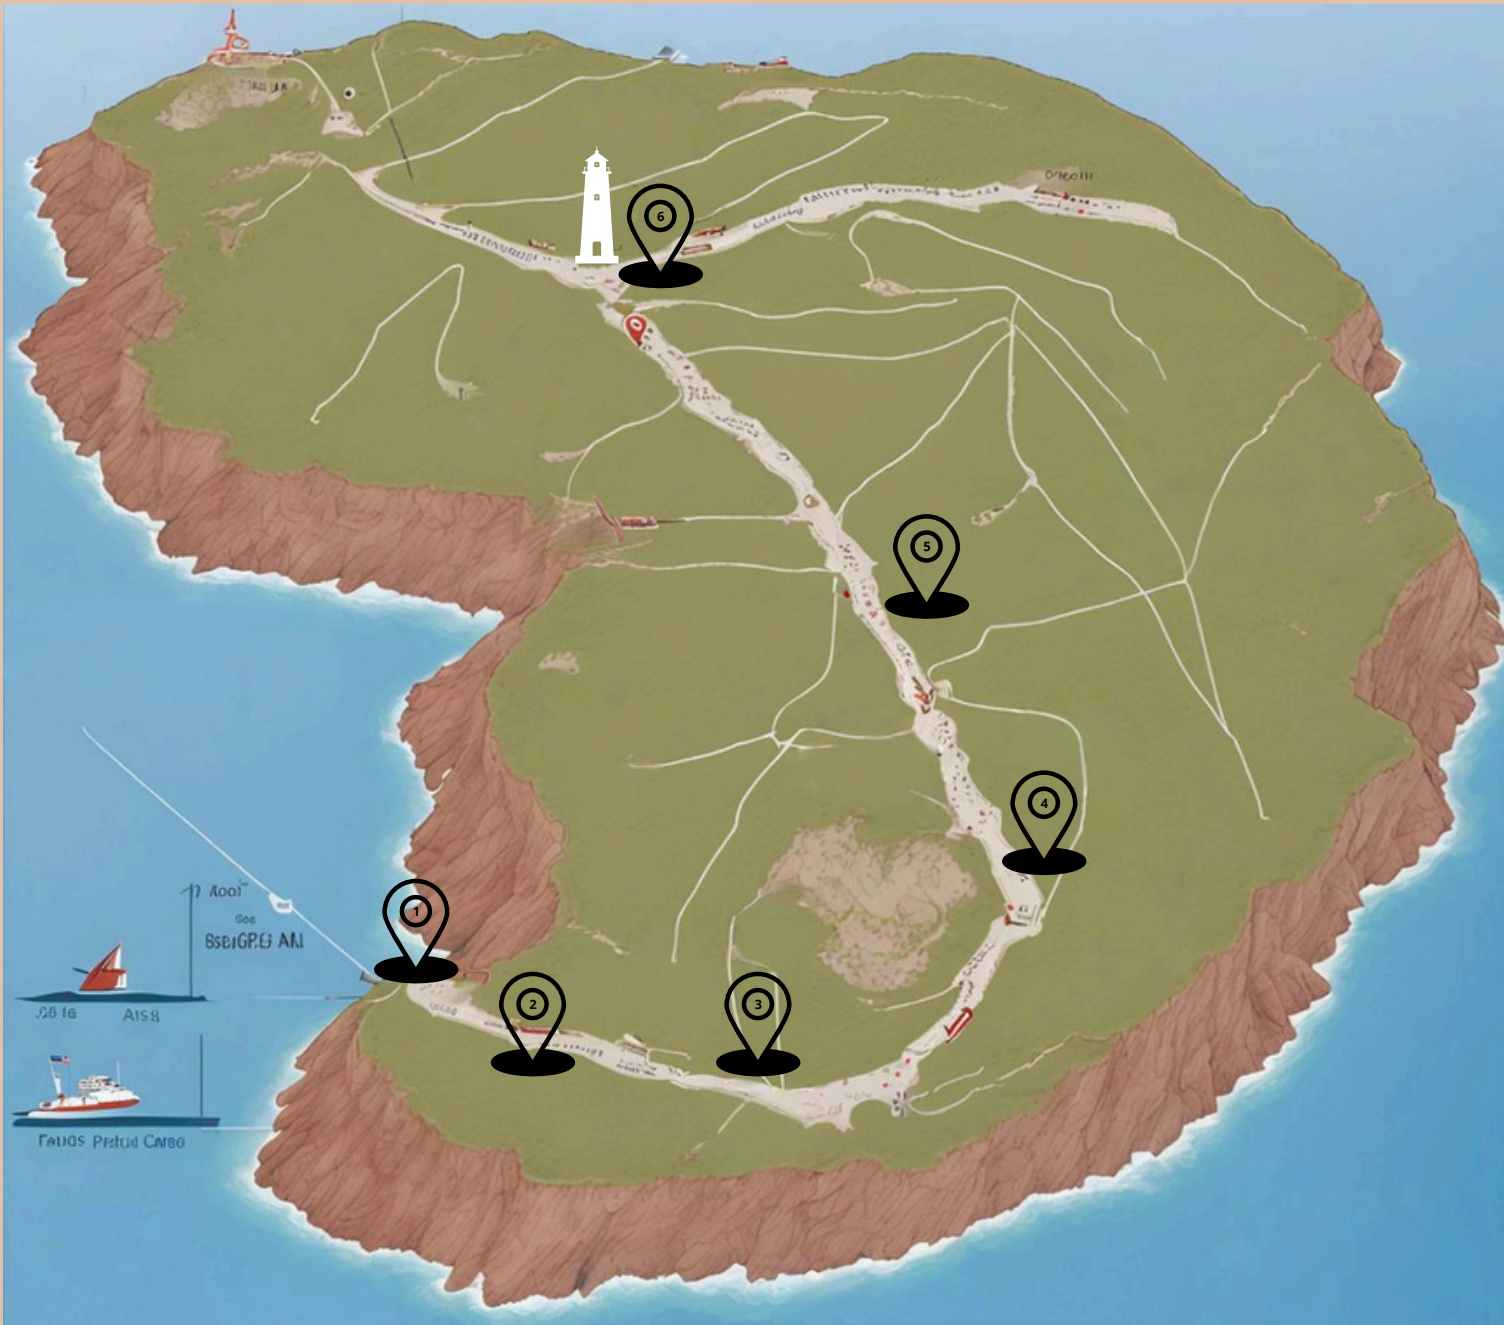

The Berlengas Island can and should be joined and enjoyed by everyone.

With our electric wheelchair platforms, we facilitate access to the highest points of the island, making it an accessible experience for everyone.

In our treasure hunt, you can learn various facts about the island and its biodiversity, while immersing yourself in an exceptional sensory activity.
